

# TABLE OF CONTENTS

## FROM THE EDITOR

### New cholesterol guidelines: Better, but harder to follow 579

The new guidelines on lowering cholesterol are good in theory but may prove cumbersome in practice.

B. F. MANDELL

## IM BOARD REVIEW

### A young woman with fever, headache, and lymphadenopathy 584

What is the cause of this patient's symptoms? A self-test on a clinical case.

R. F. CHEMALY AND S. J. REHM

## 1-MINUTE CONSULT

### Brief answers to specific clinical questions

#### How should hyperuricemia be treated in a patient with allopurinol hypersensitivity? 597

If other methods of lowering uric acid fail, desensitization to allopurinol is an option but poses serious risks.

S. D. MONEV

#### Does salmeterol increase mortality in patients with COPD? 600

Salmeterol is safe and FDA-approved, but it should be used only as part of a total program that includes education, smoking cessation, oxygen supplementation, and rehabilitation.

R. B. GERBER AND M. KAVURU

## THE CLINICAL PICTURE

### A 47-year-old man with a sore throat 605

Questions and answers on the visible signs of diseases.

M. ZAPOR AND S. L. FRASER

## MEDICAL GRAND ROUNDS

### Use of cholinesterase inhibitors for treatment of Alzheimer disease 608

These drugs may slow but do not halt disease progression. They may be most beneficial if started early.

A. M. HAKE

## REVIEW

## Using the new cholesterol guidelines in everyday practice 617

Many more patients have become candidates for lipid-lowering therapy under new guidelines recently released.

D.L. SPRECHER AND J.P. FROLKIS

**PATIENT  
INFORMATION**

## Cholesterol: What you need to know 623

## REVIEW

## Mitochondrial cytopathy in adults: What we know so far 625

The manifestations of mitochondrial cytopathy are remarkably diverse, and the syndromes identified so far probably represent only a few of the disorders.

B.H. COHEN AND D.R. GOLD

## REVIEW

## Maximizing response to erythropoietin in treating HIV-associated anemia 643

A number of treatable factors can impair the response to erythropoietin in HIV patients.

O. IFUDU

## REVIEW

## Recognizing and treating social anxiety disorder 649

Consider this diagnosis when a patient avoids social situations because of marked and persistent fear and anxiety.

D.J. MUZINA AND S. EL-SAYEGH

## MEDICAL GRAND ROUNDS

## Trends in hospital medicine: Hospitalist advantages revealed 659

Available data indicate that hospitalists reduce health care costs while providing care of at least equal quality to that provided by primary care physicians.

F.A. MICHOTA
