

TABLE OF CONTENTS

FROM THE EDITOR..... 416

Surrogate markers are not 'one-size-fits-all'

Blood glucose is a good marker of diabetes. Not so with bone density as a marker of osteoporosis.

B. F. MANDELL

REVIEW..... 418

ERCP: Current uses and less-invasive options

Because ERCP can cause pancreatitis, newer options have replaced it for patients who have a low pretest probability of bile duct stones.

J. A. DUMOT

REVIEW..... 447

When do common symptoms indicate normal pressure hydrocephalus?

The symptoms of normal pressure hydrocephalus—abnormal gait, cognitive impairment, and urinary dysfunction—are common in elderly patients. How can this rare condition be distinguished from other diseases, and how can it be determined if a patient is likely to benefit from a ventriculoperitoneal shunt?

R. FACTORA

THE CLINICAL PICTURE..... 458

A tropical souvenir not worth picking up

The patient recently returned from a beach resort in Jamaica and now has a painful rash on her foot. What is it?

S. PRAYAGA AND G. B. MANNEPULI

REVIEW..... 465

Heel pain: Diagnosis and treatment, step by step

The differential diagnosis of heel pain is broad and can be overwhelming if a systematic approach is not used.

J. ALVAREZ-NEMEGYEI AND J. J. CANOSO

MEDICAL GRAND ROUNDS

Diagnosing primary osteoporosis: It's more than a T score 473

In the end, the physician—not the machine—diagnoses osteoporosis.

A.A. LICATA

CURRENT DRUG THERAPY

Exenatide and pramlintide: New glucose-lowering agents for treating diabetes mellitus 477

Insulin is not the only hormone that regulates plasma glucose levels. Two new drugs based on native hormones became available in 2005.

B.J. HOOGERF

REVIEW

Addressing the challenges of cardiorenal syndrome 485

Cardiorenal syndrome—the spiral of worsening heart failure and kidney failure—is only beginning to receive the attention it deserves.

C. GEISBERG AND J. BUTLER

PATIENT-ORIENTED EVIDENCE THAT MATTERS (POEMs)

- Cephalosporins are often safe in penicillin-allergic patients 463
- Saw palmetto is not effective for benign prostatic hyperplasia 464
- Statins are equivalent for cardiovascular disease prevention 472
- BNP testing is beneficial in patients with heart failure plus pulmonary disease 492

DEPARTMENTS

- CME Calendar 417
- Correction 484
Primary hyperparathyroidism (December 2005).
- CME Self-test Online 495

- The Cleveland Clinic Journal of Medicine is peer-reviewed and indexed in *Index Medicus*.

UPCOMING FEATURES

- Inhaled insulin:
Coup or caution?
- Sexually transmitted disease update
- How to assess and manage adrenal 'incidentalomas'
- Should beta-blockers be stopped in acute decompensated heart failure?
- MRI of the heart:
Promise fulfilled?
- Drugs for alcoholism:
Promising concept, but modest benefit
- Overcoming barriers to discussing hospice care
- Peripheral arterial disease portends coronary disease too
