

# TABLE OF CONTENTS

## FROM THE EDITOR.....

### Treating cardiovascular disease by treating inflammation: 696 From magic bullets to smart bombs

Statins seem to do it all. Originally thought to be magic bullets that lower cholesterol, they are now known to be smart bombs that also decrease C-reactive protein.

B. F. MANDELL

## REVIEW.....

### Scuba diving: 711 What you and your patients need to know

Scuba diving requires rigorous health screening to prevent injury or accidents. Be aware of the requirements, contraindications, and possible injuries.

A. M. McMULLIN

## REVIEW.....

### Clinical approach 726 to patients with neuropathic pain

Neuropathic pain is challenging to treat. New drugs aim at the mechanisms of the pain, but results are still less than desirable.

M. STILLMAN

## REVIEW.....

### Uses and misuses of quantitative 742 ultrasonography in managing osteoporosis

Despite its advantages, this test cannot yet replace dual-energy x-ray absorptiometry for diagnosing and classifying osteoporosis or for monitoring therapy.

E. M. LEWIECKI, B. RICHMOND, AND P. D. MILLER

## THE CLINICAL PICTURE.....

### A middle-aged man with 754 asymptomatic chest wall asymmetry

He has no history of trauma or chest wall surgery, and he has been aware of the asymmetry since early childhood. What is your diagnosis?

S. R. ALLAM, R. YADAV, M. MEZIANE, AND A. C. MEHTA

## 1-MINUTE CONSULT

**How often should patients with hepatitis C be screened for esophageal varices?** 758

If the patient has cirrhosis, screen promptly with upper endoscopy. If no varices are found, repeat endoscopy every 2 years.

C. ENTWISLE AND Z.M. YOUNOSSI

## REVIEW

**Using statins to treat inflammation in acute coronary syndromes: Are we there yet?** 760

Inflammation and oxidative damage play direct roles in coronary artery disease. In patients with acute coronary syndromes, early and aggressive statin therapy reduces the risk of future cardiovascular events.

M.H. SHISHEBOR, T. PATEL, AND D.L. BHATT

## MEDICAL GRAND ROUNDS

**Thrombocytosis: When is an incidental finding serious?** 767

What do you do if you order a complete blood count and, unexpectedly, the platelet count is high?

A.I. SCHAFER

## PATIENT-ORIENTED INFORMATION THAT MATTERS (POEMs)

■ **Candesartan reduces blood pressure in prehypertensive patients** 699■ **Metronidazole gel prevents recurrences of bacterial vaginosis** 703■ **Aspirin plus dipyridamole is better than aspirin alone for cerebral ischemia** 704■ **Urinary incontinence diagnosis with three questions** 722

## DEPARTMENTS

**CME Calendar** 698**Letters to the Editor** 705

Normal pressure hydrocephalus (May 2006)

Electrocardiography in acute pericarditis (January 2006)

**CME Self-test Online** 775

- The *Cleveland Clinic Journal of Medicine* is peer-reviewed and indexed in *Index Medicus*.

# UPCOMING FEATURES

## ■ Is digoxin a drug of the past?

## ■ Do women benefit from aspirin for primary prevention?

## ■ Antiaging therapies: High hopes, disappointing results

## ■ New antibiotics for MRSA

## ■ When should hip fracture patients receive anticoagulation?

## ■ Migraine prophylaxis: Who and how?

## ■ When children with cystic fibrosis grow up
