FROM THE EDITOR

Talking to patients: Barriers to overcome 90

Not all patients think like doctors, but *we* need to be able to think like patients.

B.F. MANDELL

REVIEW

Posttraumatic stress disorder, depression, and suicide in veterans 92

In military veterans, depression, posttraumatic stress disorder, and suicidal thoughts are common and closely linked.

L. SHER, M.D. BRAQUEHAIS, AND M. CASAS

THE CLINICAL PICTURE.....

A 48-year-old woman with an echymotic rash 102

Her test results satisfied the criteria for a lupus anticoagulant. What is the most likely diagnosis?

S. CHATTERJEE AND R.J. TUTHILL

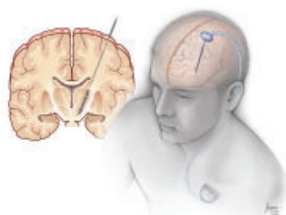

THE CLINICAL PICTURE.....

Chest pain followed by sudden collapse 110

A 51-year-old man, resuscitated from ventricular fibrillation, has ST elevation in leads V₁ and V₂. What is the likely cause?

H.R. OMAR

MEDICAL GRAND ROUNDS.....

Deep brain stimulation: What can patients expect from it? 113

Its indications (particularly movement disorders), risks, and benefits, and what is involved before, during, and after implantation.

A. MACHADO, H.H. FERNANDEZ, AND M. DEOGAONKAR

REVIEW CME CREDIT

Finding the cause of acute kidney injury: Which index of fractional excretion is better? 121

In patients on diuretics, fractional excretion of urea should be used in preference to fractional excretion of sodium.

J. GOTFRIED, J. WIESEN, R. RAINA, AND J.V. NALLY JR

ADDRESSING DISPARITIES IN HEALTH CARE CME CREDIT

Overcoming health care disparities via better cross-cultural communication and health literacy 127

Health care disparities have multiple causes. Poor communication is a cause that can be modified.

A.D. MISRA-HEBERT AND J.H. ISAACSON

MEDICAL GRAND ROUNDS CME CREDIT

New and future therapies for lupus nephritis 134

Clinical trials show that less-toxic drugs, such as mycophenolate mofetil, are as effective as older, more-toxic ones.

G.B. APPEL

IM BOARD REVIEW CME CREDIT

A 37-year-old man with a chronic cough 141

When asked, he revealed that he had been diagnosed with human immunodeficiency virus infection but had not been taking his medication.

S.M. PATEL, S.S. PATEL, AND R. MYERS

DEPARTMENTS CME CREDIT

CME Calendar 133
