

Online Features

Access

Cleveland Clinic Journal of Medicine content is readily available to all and is free of charge at **www.ccjm.org**. On your first visit, we will ask you to take a few minutes to register, but subsequent visits will be unencumbered except for an occasional request for your e-mail address when you visit using another device (eg, mobile phone, tablet).

Services

 Navigate quickly to articles in current and past issues via links on the home page and pull-down menus at the top of the page. Use the search function to find a specific article, or browse by topic or article type.

• Continuing medical education activities are accessible from article links and from a CME pulldown menu on the home page. Participation is free.

• Follow links on the home page to news, summaries of recent scientific meetings, and interactive quizzes.

• Click on the PDF symbol at the top of any online article to read, download, or print the article in PDF format.

Social Networking

To post a CCJM article to Facebook or Twitter, just click on the icon at the top of any online article.
