to

CLEVELAND CLINIC QUARTERLY

Volume 13 — 1946

A

Auriculotemporal nerve, syndrome of, 194

B

Beta radiation in ophthalmology, 104

Birchall, Robert, Taylor, Robert D., and Page, Irvine H.: Clinical observations on the mechanism of hypertensive headache and the results of its treatment with dihydroergotamine tartrate, 227

—See Taylor, Robert D.

Brown, Annella. See Crile, George, Jr.

Brucellosis, pulmonary manifestations of, 220

Bunts Institute, Frank E.: Program of refresher course on treatment, 39

C

Cerebral palsy, treatment of, 213

Cervical periarthritis, 18

Climacteric—male and female, 166

Colostomy, management of, 198

Common bile duct, pain and fever of, 147

Congenital athetosis, occupational therapy in treatment of, 218

Corcoran, A. C. See LeFevre, Fay A.

Crile, George, Jr., and Brown, Annella: Pain and fever arising from the common bile duct and not associated with jaundice, 147

—and Dinsmore, Robert S.: Present status of the surgical treatment of hyperthyroidism, 50

Curare, 177

D

Diabetes mellitus, management of, 133

Dickson, James A.: Surgical treatment of intractable plantar warts, 92

Dinsmore, Robert S., and Dutlinger, Robert P.: Thrombocytopenic purpura in pregnancy; treatment by splenectomy and cesarean section, 128

—See Crile, George, Jr.

Dittrick, Howard: In retrospect, 42

Dutlinger, R. P. See Dinsmore, Robert S.

E

Edema II, clinical significance, 24

Engel, William J.: Sulfadiazine anuria, 88

Ernstene, A. Carlton: Risk of anesthesia and surgical operation in patients with heart disease, 189

G

Gardner, W. James: Use of tantalum for repair of cranial defects in infected cases, 72

—See Stowell, Averill

Glasser, O., and Page, I. H.: Prognostic signs in experimental hemorrhagic shock, 125

—See Ruedemann, A. D.

H

Haden, Russell L.: Treatment of pernicious anemia, 43

—and Kyger, E. R., Jr.: Pulmonary manifestations of brucellosis, 220

Hale, Donald E.: Curare, 177

Harris, Harold E., and Montgomery, E. L.: Treatment of lymphoid hyperplasia of nasopharynx by radium, 117

Heart disease, anesthesia and surgical operation, risk of, 189

Hemorrhage, control of in otolaryngology, 153

Hemorrhagic shock, prognostic signs, 125

Hernia as cause of intestinal obstruction, 8

Higgins, Charles C.: Treatment of carcinoma of the prostate, 108

House, Frederic B., and Martiny, Rachael J.: Occupational therapy in the treatment of congenital athetosis, 218

—and Zeiter, Walter J.: Treatment of cerebral palsy, 213

—See Zeiter, Walter J.

Hypertensive headache, clinical observations on mechanism, treatment with dihydroergotamine tartrate, 227
Hyperthyroidism, surgical treatment of, 50

I

In retrospect, 42
Intestinal obstruction, hernia as cause of, 8

J

Jones, Thomas E., and Kehm, R. W.: Management of permanent colostomy, 198
Obscure, incarcerated, or strangulated hernia as a cause of intestinal obstruction, 8

K

Karnosh, Louis J.: Syndrome of auriculotemporal nerve, 194
Kehm, R. W.: See Jones, Thomas E.
Kennedy, Roscoe J.: Ocular torticollis, 163
Kline, Irene T. See McCullagh, E. Perry
Kyger, E. R., Jr. See Haden, Russell L.

L

LeFevre, Fay A., McDonald, Robert H., and Corcoran, A. C.: Edema II, clinical significance, 24
Lymphoid hyperplasia of nasopharynx, treatment by radium, 117

M

Martiny, Rachael J. See House, Frederic B.
McCullagh, E. Perry: Climacteric—male and female, 166
—Present status of thiouracil, 56
—and Kline, Irene T.: Absence of pituitary failure in fat boys with testicular deficiency, 10
—and Ryan, Edward J., and Schneider, Robert: Propyl thiouracil in the treatment of hyperthyroidism, 232
—See Ryan, Edward J.
McDonald, Robert H.: Parenteral fluid therapy, 96
—See LeFevre, Fay A.
Montgomery, E. L. See Harris, Harold E.
Moore, Paul M., Jr.: The control of hemorrhage in otolaryngology, 153

N

Nasopharynx, lymphoid hyperplasia of, treatment by radium, 117
"Nervousness", 143
Nosik, William A.: Olivopontocerebellar atrophy (heredocerebellar ataxia of Marie), 203

O

Ocular torticollis, 163
Occupational therapy in treatment of congenital athetosis, 218
Olivopontocerebellar atrophy (heredocerebellar ataxia of Marie), 203

P

Page, Irvine H.: Vascular mechanisms of terminal shock, 1
—See Birchall, Robert
—See Glasser, Otto
Parenteral fluid therapy, 96
Parsons, G. E. See Portmann, U. V.
Pernicious anemia, treatment of, 43
Pituitary failure, absence of in fat boys with testicular deficiency, 10
Plantar warts, intractable, surgical treatment of, 92
Portmann, U. V., and Parsons, G. E.: Treatment of thromboangitis obliterans by roentgen therapy, report of a case, 237
Program of refresher course on treatment, 89
Prostate, carcinoma of, treatment, 108
Propyl thiouracil in treatment of hyperthyroidism, 232

R

Radium, treatment in lymphoid hyperplasia of nasopharynx, 117
Rudemann, A. D., and Glasser, Otto: Beta radiation in ophthalmology, 104
Ryan, Edward J., and McCullagh, E. Perry: Practical considerations in the management of diabetes mellitus, 133
—See McCullagh, E. Perry

S

Schneider, Robert: Von Gierke's glycogen disease, 34
—See McCullagh, E. Perry

Downloaded from www.ccjm.org on November 15, 2025. For personal use only. All other uses require permission.

Shock therapy, typhoid, 67
Spasticity: physiologic and neurosurgical considerations, 207
Stowell, Averill, and Gardner, W. James: Spasticity: physiologic and neurosurgical considerations, with preliminary report of 2 cases, 207
Sulfadiazine anuria, 88

T

Tantalum for repair of cranial defects in infected cases, risk of, 72
Taylor, Robert D., and Birchall, Robert: Acute left ventricular failure, 182
—See Birchall, Robert
Terminal shock, vascular mechanisms of, 1
Thiouracil, present status of, 56
Thromboangitis obliterans, treatment by roentgen therapy, 237
Thrombocytopenic purpura in pregnancy; treatment by splenectomy and cesarean section, 128
Torticollis, ocular, 163
Tucker, John L.: Typhoid shock therapy, 67

V

Ventricular failure, acute left, 182
Von Gierke's glycogen disease, 34

W

Williams, Guy H., Jr.,: "Nervousness", 143

Z

Zeiter, Walter J., and House, Frederic B.: Cervical periarthritis, 18
—See House, Frederic B.
