## Erratum

On page 31 of the January, 1947, issue of the Quarterly, in the second line of the legend the word jejunum should be substituted for duodenum, making the legend read: Radical resection of head of pancreas and duodenum, showing gastroenterostomy and implantation of pancreatic and biliary ducts into jejunum.

On page 45, in line 17 the figure 1000 should be substituted for 10,000, making the line read, a total dose of 1200 r. and the spinal areas each 1000 r....
