CORRECTION

In the February 2022 issue, an error appeared in *Chapman T*, *Sinz E*, *McGillen B*. *Does my hospitalized patient need an NPO-after-midnight order preoperatively? Cleve Clin J Med 2022*; 89(2):69–70. *doi:10.3949/ccjm.89a.21061*. In the reference list on page 70, reference 3, the citation information was incorrect. The reference should have read as follows: Black MK, Lupa MC, Lemley LW, Dreesen EB, Deaton AM, Wardrop RM 3rd. Things we do for no reason: NPO after midnight. J Hosp Med 2021; 16(6):368–370. doi:10.12788/jhm.3537. This is now correct on ccjm.org.
